

2022 Spring Bull Sale

**Thursday 8th September 2022
1.00pm at our Grange Complex
Clifton Road, Hamilton, Victoria**

STONEY POINT PERFORMANCE ANGUS

11 STAR ANGUS ASSURANCE

AVERAGE EBV'S EXCEEDED ANGUS BREED

Many of the sale bulls are indexing in top 1% of Angus breed. Using Stoney Point bulls will make sure your herd is right up there for all the critical performance traits, however, we do not compromise on phenotype. All bulls must be structurally sound.

BULLS ZOETIS i50K TESTED

This Genomic enhancing test on bulls where indicated using individual DNA provides extra certainty to the figures of the bull you purchase. It also means they are parent verified and the DNA figures confirm we are ahead of breed average.

BULLS SIRE VERIFIED

STONEY POINT 6 POINT HEALTH ASSURANCE

Surpasses Zoetis 5 Star breeder program.

ACCURATE AND INDEPENDENT MEASURING

All non visual traits are accurately and independently measured by recognised experts.

SEMEN TESTED

To ensure live sperm are delivered, we have semen tested all bulls and only those with more than adequate motility are being offered.

STRUCTURALLY ASSESSED BY INDEPENDENT EXPERTS

Dick Whale has structurally assessed all bulls in the sale.

REPLACEMENT WHERE STRUCTURALLY UNSOUND, INFERTILE OR INCAPABLE OF SERVICE – 1 YEAR BREEDING SEASON GUARANTEE

Any such bull that will be replaced or refunded providing no causal agents post leaving the Stoney Point Performance Angus property.

PASTURE FED ONLY

Our bulls are raised on pasture only so there is no gain from grain.

ANGUS AUSTRALIA

Our Sale Lot catalogue is prepared by Angus Australia. You can be ensured of the accuracy and truth of the figures.

PROVEN

Feedback from clients confirms that Stoney Point Bulls DO and STAY and produce feedlot performing progeny.

Bulls that DO - Bulls that STAY

Well its third time lucky (fingers crossed) as we have been unable to make it personally to our last 2 years

Stoney Point Spring Sale at Hamilton
due to COVID restrictions

But to our clients it will be worth the wait

Our emphasis this year is on **VALUE**

VALUE is a key driver of profit

STONEY POINT bulls do this by infusing elite genetics into your herd as well as:

- ***Almost 100% PTIC***
- ***Only ONE calf pulled in the last 2 years (out of 1200 calvings)***
- ***Stunning paddock growth – no gain from grain***
- ***Well protected from disease due to superior health regime***

You can purchase Stoney Point Bulls with impunity

See you on sale day and we will be cranking up the barbie again

Perry Gunner – Stud Principal
0418 758 683
perry@stoneypoint.com.au

Peter Colliver - Stud Manager
0428 723 640
peter@stoneypoint.com.au

Bulls that DO - Bulls that STAY

SALE INFORMATION

Selling System.

Sale will be conducted under auction conditions as posted by the Agents on the day. Selling price will not include GST.

Accommodation

HAMILTON SALE:

Comfort Inn Botanical Hamilton (03) 5572 1855

Best Western Hamilton (03) 5572 4055

Comfort Inn Grange Burn (03) 5572 5755

For any other accommodation or travel assistance please contact Peter Colliver 0428 723 640.

AM – NH – CA – DD

All bulls selling are either free of these defects by parentage, or have been tested free.
No carrier bulls will be offered for sale.

Delivery

Stoney Point Performance Angus offers free delivery to buyers within a 500km radius of the sale location. Delivery will be co-ordinated immediately after the sale, Any testing requirements for interstate travel, will be at the purchaser's expense. Buyers wishing express delivery of their purchases are encouraged to use their own carriers.

All bulls are purchasers risk from the fall of the hammer.

Freight assistance is given to those outside the 500km radius, speak to Peter 0428 723 640 for more details.

Registration Status

All bulls selling are either Herd Book Registered (HBR) or Angus Performance Registered (APR) and can be transferred at no cost.

Johnes Status – the Stoney Point herd is JBAS6.

Inspections

Bulls can be inspected from 2 hours before sale. We encourage buyers to inspect the cattle prior to sale. This gives us the opportunity to assist in selection of genetics to best fit your herd.

Rebates

A rebate of 3% is allowed to agents nominating and accompanying buyers to the sale. Agents not meeting the above terms will receive 1% if settling for a client.

Phone Bidding

Phone bidding can be arranged prior to the sale by speaking to the selling agents.

Buyers Instructions

No buyers instruction form is included in the catalogue. Sale Agents prefer their own "Buyers Instructions" cards. All purchasers must complete one of these cards prior to leaving the sale. No verbal instructions will be accepted.

Catering

Refreshments will be available throughout the sale, and we would also like to invite all cattle producers for lunch and get together.

After Sales Service

We offer ongoing support to our clients. All at Stoney Point Performance Angus are available to discuss any aspect of your herd and can be contacted on the numbers listed in this catalogue.

Bulls that DO - Bulls that STAY

OUR BREEDING PHILOSOPHY

Many Studs wax lyrical, use big words from the text book to describe their Breeding Philosophy. It can be long winded and hard to grasp.

At Stoney Point we keep it simple:

We breed bulls that **DO**
We breed bulls that **STAY**

BULLS THAT DO deliver the genetics to your herd that:

- Ensures your cows get in calf, then calve down unassisted, raise a calf that grows and grows producing lots of high quality meat and both the bull and cows remain healthy and fertile.
- Produce a no nonsense docile herd whose offspring are sought by feedlotters and processors.

BULLS THAT STAY or are durable ensures your purchased bull:

- Possesses structural soundness with great feet and legs and superb udders in his female offspring.
- Retains his softness, style and shape and breeds to type.
- Is a great all round performer – ticks all the boxes.

It is all about breeding Real Angus – like they should be, loaded with ***Superior Fertility and Capability*** ensuring our clients herds are efficient, producing the highest quality meat.

Bulls that DO - Bulls that STAY

AT STONEY POINT PERFORMANCE ANGUS WE USE A NATURAL TECHNOLOGY THAT PRODUCES HIGH QUALITY, HUMAN EDIBLE PROTEIN, DERIVED FROM SOLAR ENERGY LOCKED WITHIN HUMAN INEDIBLE PLANTS. THE TECHNOLOGY PRODUCES A NATURAL ORGANIC FERTILISER AND IS MOBILE AND DOES NOT REQUIRE FOSSIL FUELS.

THE TECHNOLOGY SELF REPLICATES

THE TECHNOLOGY IS BETTER KNOWN AS BREEDING ANGUS CATTLE

							54	84	10	36	42	50	15	86	11	39
Notes: Reward is a cow bull with huge growth potential. He is a heifers first calf and therefore I have no problems recommending him for use over first calvers, he is a bull with loads of natural fleshing ability and massive growth potential. His sire Stoney Point Power P114 sold to Coala STN in the 2019 Spring bull sale. He ranks in the top 11% for 200, 400, 600 DWT, NFI-F and CWT.

Notes: Graded highly by Dick and similarly bred to the previous bull. R278 is also out of a first calving heifer, Rubicon is another well put together son of SP Power P114. He would suit use over cows that lack growth and carcass yield traits. He ranks in the top 35% for 200, 400, 600 DWT, NFI-F, CWT, RBV and both structural traits FA & CS. Important Notice for Purchasers

DISCLAIMER AND PRIVACY INFORMATION

Attention Buyer

Animal details included in this catalogue, including but not limited to pedigree, DNA information, Estimated Breeding Values (EBVs) and Index values, are based on information provided by the breeder or owner of the animal. Whilst all reasonable care has been taken to ensure that the information provided in this catalogue was correct at the time of publication, Angus Australia will assume no responsibility for the accuracy or completeness of the information, nor for the outcome (including consequential loss) of any action taken based on this information.

Parent Verification Suffixes

The animals listed within this catalogue including its pedigree, are displaying a Parent Verification Suffix which indicates the DNA parent verification status that has been conducted on the animal. The Parent Verification Suffixes that will appear at the end of each animal's name.

The suffix displayed at the end of each animal's name indicates the DNA parentage verification that has been conducted by Angus Australia.

PV : both parents have been verified by DNA.

SV : the sire has been verified by DNA.

DV : the dam has been verified by DNA.

: DNA verification has not been conducted.

E : DNA verification has identified that the sire and/or dam may possibly be incorrect, but this cannot be confirmed conclusively.

Privacy Information

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances. If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must complete the form included below and forward it to Angus Australia. If the form is not completed, the buyer will be taken to have consented to the disclosure of such information.

BUYERS OPTION TO OPT OUT OF DISCLOSING PERSONAL INFORMATION TO ANGUS AUSTRALIA

If you do not complete this form, you will be taken to have consented to Angus Australia using your name, address and phone number for the purposes of effecting a change of registration of the animal(s) that you have purchased, maintaining its database and disclosing that information to its members on its website.

I, the buyer of animals with the following ids.....

.....(name) do not consent to Angus Australia using my name, address and phone number for the purposes of effecting a change of registration of the animals I have mentioned above that I have purchased, maintaining its database and disclosing that information to its members on its website.

Name: Signature:

Date:

Please forward this completed consent form to Angus Australia, 86 Glen Innes Road, Armidale NSW 2350.

If you have any questions or queries regarding any of the above, please contact Angus Australia on (02) 6773 4600 or email office@angusaustralia.com.au

The Stoney Point Guarantee

All Stoney Point Performance Angus Bulls are backed by a 1 breeding season guarantee. In the event of a bull proving to be infertile, or incapable of natural service within 1 breeding seasons or 12 months (whichever comes first) of the purchase date, the vendor will credit the purchase price less the salvage value of the bull, provided the problem is not caused by injury or disease incurred since taking delivery.

Any claims must be made within 48 hours of occurrence and be accompanied by a relevant veterinary certificate.

The vendor reserves the right to obtain an independent veterinary assessment to confirm any claim.

**Different is not always better.
Better is always different.
We aim to be better.**
